## Overview of key policies and fees

### Monthly Maintenance Fee

**\$4.95**  
each month

You can avoid the Monthly Maintenance Fee when you enroll in the Preferred Rewards program (first 4 checking accounts). Learn more at [bankofamerica.com/preferred-rewards](https://bankofamerica.com/preferred-rewards), or visit your local financial center.

 Students under age 24 are eligible for a waiver of this fee while enrolled in high school or a college, university or vocational program.

### ATM fees

Bank of America ATMs	<b>No ATM fee</b>	For deposits, withdrawals, transfers or balance inquiries
Non-Bank of America ATMs	<b>\$2.50</b>	In the U.S., plus any fee charged by the ATM's operator
	<b>\$5.00</b>	Outside the U.S., plus any fee charged by the ATM's operator

### No check writing

**You cannot use paper checks on this account.** Any check written will be returned unpaid, even if you have enough money in your account.

Instead, you can pay individuals and businesses using:

- **Your Debit Card:** Make purchases and payments at millions of locations.
- **Online and Mobile Bill Pay:** Pay your bills through Bank of America's Online Banking or Mobile Banking app.<sup>1</sup>
- **Online or Mobile Banking transfers:** Securely send money to friends, family or coworkers.<sup>2</sup>

### No bank overdraft fees

**We do not charge overdraft fees on this account. To help you avoid overdrawing your account, transactions will be declined and returned unpaid when you don't have enough money in your account.**

- If this happens, you will not be charged a bank overdraft fee, but the merchant or third party could charge you a fee. For example, you may be charged a late fee if the payment isn't received on time.
- You can set up email or mobile alerts to notify you when you have a low balance in your account or when items are not paid. (We do not charge for this service but your mobile carrier's message and data fees may apply. Delivery of alerts may be affected or delayed by your mobile carrier's coverage.)

**While this account prevents you from overdrawing in most cases, there may still be times when your account could have a negative balance, but we will not charge an overdraft fee.** This could happen in the following ways:

- When your debit card is authorized for one amount but the final amount is higher (for example, adding a tip at a restaurant or pumping gas)
- A scheduled bill payment is deducted when you have insufficient funds in your account for the payment
- When you get charged a fee, such as a monthly maintenance fee, and the current balance is less than the fee

### When your deposits are available

- **Cash, direct deposits and wire transfers:** On the day we receive them.
- **Checks you deposit:** Usually the next business day, if deposited before the financial center or ATM cutoff time.
- **Mobile Check Deposits:** Usually the next business day if deposited by applicable cutoff times. Please refer to **Deposit Checks**, then **Help** in the Mobile Banking app for additional details and terms and conditions.
- **If we place a hold on your deposit,** we'll let you know the hold reason and when funds will be available for you to use. This is typically provided at the time of deposit but may also be mailed later. Deposits greater than \$5,000 and checks deposited within the first 30 days of account opening may be held longer.

## How we post transactions

The way we post transactions impacts your account balance. At the end of each business day, we'll group transactions received that day into categories before posting them. Below are the most common categories, and common transaction types in each, in the order that they generally post to your account.

- **Deposits:** Added from highest to lowest dollar amount.
- **Many debit transactions:** Subtracted based on the date and time you made them (if the system knows the date and time of the transaction).<sup>3</sup> These include one-time and recurring debit card transactions, one-time transfers and ATM withdrawals.
- **Most other electronic payments and preauthorized transfers:** Subtracted from highest to lowest dollar amount. These include scheduled transfers, online bill payments and preauthorized payments that use your account number.
- **Most fees:** Subtracted from highest to lowest dollar amounts.

Reminder: Paper checks will not work with this account.
